All invoices for repair services (Item 50-211) will be submitted by, and payments are to be made to, the authorized Olympia service point from whom the service was ordered (See ORDERING, above).

### DELIVERY SCHEDULES

From 1 to 30 days for all items.

**IMPORT DUTY:** 7% until Dec. 31, 1970; 6% at Jan. 1, 1971.

GUARANTEE

All necessary adjustments of machines procured hereunder not occasioned by accident or misuse through fault or negligence by the Government, shall be made by the contractor at his own expense, including transportation costs, if any, during the 90 day period after delivery. All machines procured hereunder are guaranteed for a period of 1 year from the date of delivery. During the guarantee period all broken or defective parts not caused by accident or misuse through fault or negligence by the Government, must be replaced (including labor transportation and parts) and all necessary machine adjustments occasioned by such defective parts must be made at the contractor's expense, including transportation costs, if any.

### ELECTRICAL CHARACTERISTICS

Olympia Calculators and Adding Machines are routinely equipped with a 3-wire cord and grounding plug, conforming to Federal Specification JC-175.

Olympia Calculators and Adding Machines are listed by Underwriters Laboratories. The standard motor is single phase, AC, 115 volts, 60 cycles. This motor does not meet the radio interference requirements of specification MIL-STD-461, 462, and 463.

### MAXIMUM ORDER LIMITATION

Olympia Calculators and Adding Machines may be combined on a single order or blanket purchase agreement in order to qualify for quantity prices; however, the individual Maximum Order Limitation cannot be exceeded for any item.

Maximum Order Limitations have been awarded to Olympia USA Inc. as follows:

| ITEM | DESCRIPTION | MAX. ORDER LIMITATION |
|---|---|---|
| 50-278-4 | Electronic Calculators | $75,000.00 |
| 50-381 | Electronic Calculator Repair Parts | $ 5,000.00 |
| 50-103-2 | Electric Printing Calculators | $75,000.00 |
| 50-94-5 | Electric Adding Machines | $25,000.00 |
| 50-94-7 | Electric Adding Machines | $25,000.00 |
| 50-237 | Adding Machine Repair Parts | $ 5,000.00 |

### BLANKET PURCHASE AGREEMENTS

Olympia USA Inc. agrees to accept blanket purchase orders, in accordance with GSA regulations. If for any reason the ordering agency is unable to fulfill its commitment under a single blanket order, the agency agrees to accept additional invoicing in the amount of the price differential between the price originally invoiced and the appropriate quantity price based on the number of machines actually delivered against the order.

Any Government Agency which issues a single or blanket order for a definite quantity of calculators and adding machines or a letter of intent to purchase a definite quantity of calculators and adding machines will be entitled to purchase any additional machines at the applicable discount effective as of the date the requirements of the above purchase order or letter of intent have been fulfilled.

In effecting such procurement that quantity discount pricing will be applicable on any procurement of one or more calculators and adding machines provided no single order exceeds the maximum order limitation under the contract.

### SMALL REQUIREMENTS

Olympia USA Inc. accepts orders amounting to less than $50; in the case of purchased repair parts (Items 50-381 and 50-237), the minimum order requirement is $3.

Olympia USA Inc. certifies that the commercial prices discounts, terms and conditions in this price list are identical to those offered under the solicitation and/or accepted by the Government, and that the prices shown have been accurately computed.
